CIVIL NO. 07-1379 (FAB)

MOTION IN COMPLIANCE WITH COURT ORDER

COMES NOW Alexandra Amador, through the undersigned attorneys, and respectfully states and prays as follows:

1. The phrase “fully collateralized” is not used to refer to bond issues. Some bond issues are “guaranteed” by insurance companies whose main line of business is to guarantee bond issues as to principal and interest.

2. Of the 12 bonds held in UBS account XH-00925, 5 are **guaranteed as to principal and interest** by various insurance companies. The other 7 bonds are not guaranteed but are considered to be **investment grade**.

3. **“Investment grade”** refers to the quality of the issuer’s credit. In order to be considered an **investment grade issue**, the issuer must be rated at “BBB” or higher by Standard & Poor’s or Moody’s, the two best known rating agencies.

4. Exhibit A hereto shows that the 7 bonds held in account XH-00925 that are not **guaranteed** are **investment grade**. Thus, there should be no doubt that the bond portfolio in said account is of very high quality.
